WEE LOVE LEARNING EARLY LEARNING CENTER

To Whom It May Concern:

I'd like to introduce you to **Wee Love Learning**, a non-profit (Tax ID #274428796) child care center that was created to serve children of all socio-economic levels and ethnicities. Many of the children we serve cannot yet recognize colors, letters, or shapes by name. Our purpose and goal is to lovingly ready children to be successful in kindergarten and beyond. We are seeking to build a foundation for success in partnership with parents.

Because our current enrollment finds DSHS funded families making up to over 70% of our enrollment and because DSHS pays less than private paying families, we find the need to create alternate funding in order to continue providing loving care for all children.

This has led us to create various fund-raising strategies. We are inviting you to participate in one. Our annual auction will be on **March 10, 2018** and the proceeds will be directed to Wee Love Learning's scholarship funds and the much needed playground equipment. The evening will begin with dinner and will be followed by a silent and live auction.

Last year the auction allowed us to purchase a large covered outdoor sand box and several outdoor trikes and other class room learning tools as well as to support the scholarship program. Every year we get many requests for scholarship funds to assist single parent homes that are unable to pay for quality child care along with requests to offer child care for homeless families. Last year we provided child care and two quality meals to at risk children and family scholarships throughout the year. We partner with **Family Education and Support Services** and they share in the proceeds.

If you are willing to partner with us in this most important endeavor with a donation to the auction, you will receive a tax deduction for the value of the donation and your company/organization will receive free advertising as supporters of the event.

Thank you for your consideration.

Sincerely,
Bob Schiefer
Chairman of the Board
