PARENTING INSIDE OUT

Parenting Inside Out has a proven impact on reducing recidivism, improving family relationships and parenting skills, and supporting family reunification. Parenting Inside Out has helped thousands of parents rebuild their relationships with their children and families. This curriculum has been reviewed by SAMSHA and appears on the National Registry of Evidence-based Programs and Practices (NREPP). It is the highest rated evidence-based parenting program developed specifically for incarcerated and criminal justice involved parents. This series of trainings reflects both new research in trauma-informed interventions and gender-responsive interventions.

TOPIC WILL INCLUDE

- Bullying
- Cyber Safety
- Age-appropriate media use
