What is Coordinated Entry?

Coordinated Entry is an intake program that serves Thurston County residents experiencing homelessness. This program is not designed for immediate shelter or housing placements.

At your intake appointment you will complete a vulnerability assessment and discuss potential solutions, community resources and eligibility for housing program referrals.

Eligible Thurston County residents are:

- Living and sleeping outside.
- Sleeping in a place not meant for human habitation.
- Staying in a shelter.
- Fleeing or attempting to flee domestic violence.

If you're unsure of your eligibility, please call the Housing & Shelter Hotline.

For information on emergency and night-by-night shelters see the [Thurston County Shelter List: www.bit.ly/ThurstonShelters](http://www.bit.ly/ThurstonShelters)
