Family Name: [BNSP2](#),

Number of Adults (to be adopted):[5](#)

Number of Children: [2](#)

Tell us about the family (why the adoption need):[Family moved to Olympia 5 months ago, they are in need of almost everything, they are working but there is not enough to have all their basic needs met, so they do not have enough to get any gifts, clothing, furniture o materials to have stability yet, they will so much appreciate the support the community could provide, specially one of the little ones that dreams of Santa and keeps rewriting the long list for a short one every time mom explains that they can only ask for a few or just one thing.](#)

What is something the family would like as a gift?

[Kitchen utensils, \(plates, cups, spoons, forks\) pots, towels, microwave.](#)

Is this something the parents would like instead of gifts for themselves or in addition to? [Please a small/medium Christmas tree and few decorations for my daughter and if possible for us adults: Clothing \(jackets, socks, sweater etc.\) a bed, blankets, sheets, pillows, towels, shampoo, toilet paper, etc.](#)
