

2025 Holiday Connections — Adopt-A-Family Form

Contact: Lynsi Polanco, lynsip@familyess.org

Family Code: 1 Kin BC4 Number of Children: 2

Tell us about the family (why the adoption need):

Our family took in our 2 yrs old niece. We are a household of 5 now. She came with 3 sleeves of diapers only. Mom & dad have four kids, two moved out two at home.

We can use anything. Food, cleaning, laundry soap, etc. We appreciate you.

Blaine's husband is disabled and cannot work. Blaine supports the whole family and is a kinship caregiver of a 2 year old.

What is something the family would like as a gift?

would love grocery gift card. or household items. Toilet paper, paper towels, cleaning products, laundry soap. Food is a big need. Kleenex, Clorox wipes. dish soap.

Is this something the parents need for themselves, please explain and list items needed.

Parents could use gas card, I now take the baby to daycare as I work from home. Anything is fine for parents. We'd be thankful for anything. Dad could use a massage.

Tell us about each family member needing to be adopted...
