Family Code:

Number of Children: 2

Tell us about the family (why the adoption need): I currently have no job and I'm in recovery going to treatment in family recovery court my son is 6 years old and living with me my daughter is 2 and soon to be in my care

What is something the family would like as a gift?

my family agreed that we would love a fire stick for our tv since our remote is lost and the device broke at the charger port when we moved the tv

Is this something the parents need for themselves, please explain and list items needed. One thing we could use the most is a potty chair for Zamara she is 2 the kind that goes on the bathroom toilet or can be on the ground and pull up for my son he still has a problem at night and for our selfs q-tips razors toilet paper
