

2025 Holiday Connections — Adopt-A-Family Form
Contact: Lynsi Polanco, lynsip@familyess.org

Family Code: **BN205** Number of Children: **3**

Tell us about the family (why the adoption need):

* We have experienced some hardship and the boys father dealing with major mental health issues and also experiencing a traumatic brain injury mid summer. It caused us to fall back financially, mom is working just as hard to make things possible but it's not enough.

What is something the family would like as a gift?

* As a family of 4 we would like to be able to have a good holiday dinner with our family. Have a great Christmas and enjoy the real reason for the season, attend midnight mass as well.

Is this something the parents need for themselves, please explain and list items needed.

As the boys mom I want to make sure we are able to enjoy a holiday meal together. Wether it's a ham dinner or turkey with all the fixings, one less thing to worry about.

Tell us about each family member needing to be adopted...
